## Guarantee GOLD<sup>®</sup> CLAIMS — TESTIMONIALS

© “Both my wife and I are in the insurance business so we understand the process well. Your adjuster, appraiser and contractor were very professional, sympathetic and helpful. This was an ice damage claim which put us through a great deal of inconvenience and worry. Our adjuster managed the whole complicated process very well. We have been very satisfied with our repairs and end result. We would not hesitate to refer GCNA to any of our friends, in fact, we have already done so!”

© “In December of 2008 we suffered a catastrophic fire which resulted in a total destruction of our home in Oakville. From the outset we received nothing but the best care and attention from your company. Throughout this process we were impressed by our adjuster’s attention to our needs and his prompt response to meeting these needs. We would like to extend our appreciation to your company and to commend you for the high level of service and attention!”

— *J. Sabine of Toronto, ON — The Guarantee Company client since 2003*

© “My wife was involved in a serious head-on collision and her injuries, while no longer life-threatening, are serious and recovery will be slow but hopefully complete. We want to express our thanks and to acknowledge the support we received from The Guarantee. The adjuster was exemplary in her support, knowledge and most of all her compassion and understanding as to what we faced in the first few hours and days subsequent to the collision. I will be asking our broker to make sure that all of our future insurance requirements be sourced from THE GUARANTEE COMPANY OF NORTH AMERICA”

— *J. Visser of Uxbridge, ON — The Guarantee Company client since 2008*
